INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Colorado Public Television, Inc. (a Colorado nonprofit corporation), which comprise the statements of financial position as of September 30, 2017 and 2016, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Colorado Public Television, Inc. as of September 30, 2017 and 2016, and the changes in net assets, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

Colorado Public Television, Inc. (the Corporation) is a nonprofit corporation. The Corporation was organized to acquire, produce, and distribute educational video, audio, film, print and online materials. To distribute these materials the Corporation operates a noncommercial public television station (KBDI-TV) in the Denver metropolitan area and throughout Colorado. It holds and operates several broadcast licenses from the Federal Communications Commission for the purpose of public service, noncommercial educational transmission, including digital Channel 13 and Educational Broadcasting Service channels C1, C2, and C3 (WHR521) plus several other translator and relay signal facilities. Funds for operations come primarily from annual grants, contributions and membership, and are subject to change on an annual basis.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ADVERTISING – The Organization’s policy is to charge advertising costs to expenses as they are incurred.

ALLOWANCE FOR BAD DEBTS - The Organization uses the allowance method for bad debts. Under this method, an estimation of the uncollectible portion of receivables is offset against the receivable. As accounts are determined to be uncollectible, the receivable and the allowance account are reduced.

BASIS OF PRESENTATION – Financial statement presentation follows the recommendations of the Accounting Standards Codification (“ASC”) as found in ASC 958. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets:

1. Unrestricted – net assets not subject to donor-imposed stipulations.
2. Temporarily Restricted – net assets subject to donor-imposed stipulations that either expire by the passage of time or can be fulfilled or otherwise removed by action of the Organization.
3. Permanently Restricted – net assets subject to donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by action of the Organization.

CASH AND CASH EQUIVALENTS - For purposes of reporting cash flows, cash equivalents include demand accounts, money market accounts and highly liquid investments purchased with an original maturity of three months or less.

COMMISSIONS – The Organization has agreements with individuals to solicit and acquire funds for special events and program underwriting. The agreements provide for payment of commissions to the individuals based on varying percentages of funds received. Such commissions are included in the salary expense for the Organization.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

DONATED SERVICES AND IN-KIND CONTRIBUTIONS - In accordance with ASC 958 contributions of services are recognized only if the services received either (a) create or enhance non-financial assets or (b) involve specialized skills provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

In-kind contributions are recorded as revenue and expense at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service, as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

EXPENSE ALLOCATION – The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among program and supporting services that have benefited, based on total personnel costs or other systematic basis.

PLEDGES - The Organization engages in fund-raising campaigns by offering some special television programs and on-air, mail and, electronic fund-raising appeals. These appeals encourage supporters to provide financial contributions to the Organization to support programming services and other operating expenses. Financial contributions are frequently evidenced by pledges received from responding viewers. Contributions and collected pledges are components of the unrestricted operating fund when their usage is not limited to specific activities of the Organization. This usage is consistent with the appeals for contributions and pledges.

Certain fund-raising campaigns are for specific purposes. The amounts raised as a result of those campaigns are treated as temporarily restricted net assets until such time as the funds are expended for the intended purposes.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

PRODUCTION REVENUE AND PROGRAM UNDERWRITING - The Organization uses the percentage of completion method of accounting for production revenue, whereby the cumulative production revenue earned equals the ratio of costs incurred to the estimated total costs at completion applied to the total committed revenues from outside sponsors. Production costs include charges by subcontractors plus all direct labor and other direct costs. Indirect and general and administrative expenses are charged to expense as incurred. Cost estimates on programs are reviewed periodically as the work progresses and adjustments, if needed, are reflected in the period in which the estimates are revised.

A substantial portion of current productions are funded by donations for specific programs. The donated amounts are treated as temporarily restricted net assets until related costs are incurred to produce the shows.

Revenue for program underwriting was recorded per contract terms either on a pro rata basis for the period covered or as underwriting announcements were aired. Payments received in advance of airing the underwriting spots are reflected in customer deposits on the Statements of Financial Position.

PROPERTY AND EQUIPMENT - Amounts capitalized as property and equipment, including additions and improvements to existing assets, are recorded at cost, or in the case of donated property or equipment at estimated fair value determined as of the date of receipt. All purchases of property and equipment in excess of \$2,000 are capitalized.

Depreciation is calculated by the straight-line method over the estimated lives of individual assets, which range from 3 to 99 years as follows:

Building	40 years
Land improvements	99 years
Building improvements	5-30 years
Transmission and production equipment	3-20 years
Office equipment, furniture and fixtures	3-5 years
Vehicles	5 years
Software	3-5 years
Leasehold improvements	18-20 years

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Maintenance cost and repairs are expensed when incurred in the operating fund; renewals and betterments are capitalized. When assets are retired or otherwise disposed of, the respective costs and accumulated depreciation are removed from the accounts. The resulting gain or loss is included in the statement of operations for that period, except for non-monetary exchanges in which the basis of the asset acquired is adjusted for the gain or loss. Proceeds from the sale of assets, if unrestricted, are transferred to the operating fund, or if restricted, are transferred to the temporarily restricted fund for equipment acquisitions.

In the event that facts and circumstances indicate that the cost of property and equipment or other assets may be impaired, an evaluation of the recoverability would be performed. If an evaluation were required, the estimated future undiscounted cash flows associated with the asset would be compared to the asset's carrying amount to determine if a write-down to market value or discounted cash flow value is required.

TEMPORARILY OR PERMANENTLY RESTRICTED RESOURCES - When contributions are received with donor stipulations that limit the use of the donated assets, the Organization reports such gifts as either temporarily restricted or permanently restricted support depending on the nature of the donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of land, buildings and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

USE OF ESTIMATES - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

VALUATION OF INVESTMENTS - Investments are initially recorded at historical cost or original donated value. Marketable securities are stated at their fair market value.

COLORADO PUBLIC TELEVISION, INC.

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through February 11, 2018, the date that the financial statements were available to be issued.

Accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. From time to time throughout the year, the Organization's cash balances may exceed the FDIC limit. At September 30, 2017 and 2016, the Organization had uninsured balances of \$208,541 and \$59,823, respectively.

NOTE 8 – OTHER LIABILITIES

As part of the 2006 purchase of the condominium units at 2900 Welton Street, the Organization agreed to pay KUVO \$100,000 for the Organization's purchase of KUVO's share of the third floor space. Terms of the agreement required payment of \$50,000 to be paid as an annual credit on operating expenses equal to \$5,000 per year for 10 years and a non-interest bearing obligation to pay KUVO \$50,000 at the end of ten years (December 31, 2016) or when the Organization sells its space, whichever comes first, with no penalty for prepayment prior to the 10-year period. The balance due to KUVO as of September 30, 2016 was \$55,000. This amount is included in "other liabilities" on the statement of financial position. The \$55,000 was paid during December 2016; therefore, the balance at September 30, 2017 is zero.

NOTE 9 – FIVE POINTS MEDIA CENTER HOLDINGS, INC.

In 2006, the Organization and Denver Educational Broadcasting (a/k/a "KUVO") formed a non-profit Organization, Five Points Media Center Holdings, Inc. (FPMCH). This entity purchased the building at 2900 Welton Street, Denver, Colorado on December 14, 2006. The purchase price was funded solely by the assumption of an existing note on the building, payable to the City & County of Denver. The fair market value of the building was appraised and the Organization recorded their share as reflected above on the Building line item. In March, 2007, the building was divided into condominium units as FPMCH filed a "Condominium Declaration" to convert the property at 2900 Welton Street into a Condominium Association. In May, 2007, FPMCH issued special warranty deeds to the Organization and KUVO to document their respective ownership shares in the Condominium Association 68.7% and 31.3%, respectively.

The difference between the purchase price and the appraised fair market value was recognized in 2007 as an in-kind donation from the seller, Five Points Media Center Organization, prorated based on these percentages. Each condominium owner is liable for their pro-rata share of the note payable, however the assumed note was not legally split between the parties. In addition, the Organization purchased KUVO's share of the third floor space for \$100,000. FPMCH is responsible for management of the 2900 Welton Street property.

FPMCH has not filed income tax returns since its inception. The amount of tax, if any is due, and the related penalties and interest is not determinable; however, if FPMCH would not have the funds to pay any liability, the members of the association would be responsible to fund FPMCH their proportional amount.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 10 - LONG-TERM DEBT

The Organization and KUVU assumed a promissory note due to the City & County of Denver through their interests in the Five Points Media Center Holdings, Inc. (FPMCH) and the transfer of the respective condominium units. The note requires a monthly principal and interest payments of \$3,209, an interest rate of 5% and matures December, 2023. The note balance at September 30, 2017 and 2016 was \$204,137 and \$231,471, respectively. The balances as of September 30, 2017 and 2016 in the amount of \$140,242 and \$159,020, respectively, which are recorded on the Organization's books represents their 68.7% ownership interest in the building.

Because The City & County of Denver has not split the note between the two parties and should KUVU default, the Organization could be contingently liable for the full note balance. In 2013 KUVU's ownership was assumed by Rocky Mountain Public Broadcasting Network, Inc. (RMPBS) and all resulting assets and liabilities of KUVU have transferred to RMPBS.

A summary of the future maturities for the Organization's share of the note is as follows:

Fiscal year ended September 30,	
2018	\$ 19,895
2019	20,913
2020	21,982
2021	23,107
2022+	<u>54,345</u>
	140,242
Less: current portion	<u>19,895</u>
Long-term portion	<u>\$ 120,347</u>

NOTE 11 – BOARD DESIGNATED ASSETS

BOARD RESERVE: The Organization received a one-time lease payment of \$3,500,000 during the year ended September 30, 2008. The Board of Directors designated these funds to be segregated into a separate fund to benefit the Organization in future years. As required by Generally Accepted Accounting Principles, net assets including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. Because the Board of Directors created this fund, it is classified as unrestricted and named as Board Reserve.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 11 – BOARD DESIGNATED ASSETS (continued)

The assets are administered by an investment manager in pooled investment funds. The intent of the Board is that these funds be held in perpetuity and that distributions come from investment earnings only. These funds are shown as a separate line item of unrestricted net assets on the Statement of Financial Position as they are a board designated, rather than a donor restricted fund.

The investment policy is for long term growth with the goal of exceeding the Consumer Price Index by 5%. A market index will be selected by the Infrastructure Operations Committee of the Board as a benchmark and the risk tolerance will be determined by that index. The overall investment bias of the endowment will be towards equity- like investments. Up to 40% of the funds may be invested in long-term illiquid investments.

Distributions may be made to the Organization monthly based on an annual percentage formula. The distribution will be the greatest of 4.5% of the trailing 36 month average market value or, 4% of the funds current market value or, a separate determination of the Board of Directors.

The following is a summary of the transactions for the years ended September 30, 2017 and 2016:

	2017	2016
Beginning balance, at cost	\$ 2,665,142	\$ 2,725,947
Additional contributions	50,785	59,632
Investment income	72,691	70,340
Distributions	(242,771)	(176,449)
Investment fees	<u>(12,562)</u>	<u>(14,328)</u>
Ending balance at cost	2,533,285	2,665,142
Unrealized gain	<u>1,811,599</u>	<u>1,300,602</u>
Ending balance, at fair market value	<u>\$ 4,344,884</u>	<u>\$ 3,965,744</u>

BOARD CAPITAL RESERVES: As of September 30, 1999, the Organization's Board of Directors designated funds from the Organization's unrestricted net assets to be segregated for a capital reserve account available as a match for future grants. The Board of Directors has since allowed these funds to be held in the checking account of the Organization and has permitted other uses, as approved by the board. The balance of the Board designated capital reserve funds at September 30, 2017 and 2016 is \$200,980 and \$113,451, respectively.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 12 - INCOME TAXES

The Organization is exempt from income taxes under Internal Revenue Code Section 501(c)(3); consequently, no provision or liability for income taxes has been provided in the accompanying financial statements.

The Organization has adopted provisions of ASC 740-10, "Accounting for Uncertainty in Income Taxes" which prescribes when to recognize and how to measure the financial statement effects, if any, of income tax positions taken or expected to be taken on its income tax returns, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained.

The Organization undergoes an annual analysis of its various tax positions, assessing the likelihood of those positions being upheld upon examination with relevant tax authorities, as defined by ASC 740-10. Management does not believe there to be any uncertain tax positions and has thus not recorded any related provision.

The Organization's tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of September 30, 2017, the tax years subject to examination include FYE 2014 through FYE 2016.

NOTE 13 – EMPLOYEE BENEFIT PLAN

The Organization offers a tax sheltered annuity, a 403(b) plan, through TIAA. Substantially all employees are eligible to participate after one year of employment. The amount of employer contribution is variable, based upon employee years of service and the amount of employee deferral. The employer contribution increases with years of service. The employer contribution for the years ended September 30, 2017 and 2016 was \$96,005 and \$117,089, respectively.

The Organization offers a supplemental tax sheltered annuity, a 403(b) plan, through TIAA in which all employees are eligible to participate after completion of thirty days of employment. The plan operates as a salary reduction plan only. There is no employer contribution.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 14 – PERMANENTLY RESTRICTED ASSETS

The Organization's Board of Directors has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent explicit donor restrictions to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

The Colorado Public Television Endowment Fund was created during the year ended September 30, 2006. The Organization was participating in the Community First Foundation Endowment Challenge Grant Program, under which contributions made by the Organization during the period from April 1, 2006, through March 31, 2008, were matched by the Community First Foundation at a 50% match rate, to a maximum matching grant of \$82,000. The corpus of the fund is composed of what the Organization raised (\$123,240) and the Community First Foundation match (\$61,620) which totaled \$184,860. The purpose of the fund is to support the Organization's programming.

The fund is a pooled investment fund maintained by the Community First Foundation but remains an asset of the Organization. No variance power has been granted by the Organization to the Community First Foundation as described in the Financial Accounting Standards for non-profit revenue recognition at ASC 958-605-25. All the accumulated income, less expenses and distributions of the fund is accounted for in the temporarily restricted fund.

COLORADO PUBLIC TELEVISION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 15 – COMMUNITY SERVICE GRANTS

The Organization for Public Broadcasting (CPB) is a private nonprofit organization that funds television and radio stations. CPB distributes annual Community Service Grants (CSGs) to qualifying public telecommunications entities. CSGs are used to augment the financial resources of public broadcasting stations and thereby to enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act, 47 United States Code Annotated Section 396(k)(7), (1983) Supplement. In any event, each grant must be expended within two years of the initial grant authorization. The grants may also be used to sustain activities begun with Community Service Grants awarded in prior years.

According to the Communications Act, funds may be used at the discretion of recipients. The Organization used these funds for purposes relating primarily to production and acquisition of programming.

The grants are reported on the accompanying financial statements as unrestricted operating funds; however, certain guidelines must be satisfied in connection with application for and use of the grants to maintain eligibility and compliance requirements. These guidelines pertain to the use of grant funds, record keeping, audits, financial reporting, and licensee status with the Federal Communications Commission.

The Organization received and expended \$559,056 and \$520,583 in Community Service Grants during the years ended September 30, 2017 and 2016, respectively.

NOTE 16 – COMMITMENTS AND CONTINGENCIES

The Organization has entered into three transmission site leases. One of the leases has a termination date of December 31, 2022. The base monthly rent at September 30, 2017 is \$406. The rent is to increase 3% per year on January 1st. The lease terminates on December 31, 2022. The other two leases terminate during the next fiscal year.

Future minimum operating rental payments are as follows:

Fiscal year ended September 30,

NOTE 18 – LEASE REVENUE – EXCESS CAPACITY

The Organization is the original licensee of three Educational Broadband Service (“EBS”) channels. These channels are leased on a long-term basis under a lease agreement. Due to a confidentiality agreement, the terms of the lease are not allowed to be disclosed.

NOTE 19 – PRIOR PERIOD ADJUSTMENT

In prior years, the Organization recorded as an asset its membership interest in the common interest reality association (FPMCH condominium association - see Note 9 above). This resulted in overstating the cash position of the Organization on its financial statements. The amount of the adjustment to the beginning net assets as of October 1, 2015 is \$99,373.

Financial assets valued using level 1 inputs are based on quoted market prices within active markets. Financial assets and liabilities valued using level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets. Financial assets and liabilities valued using level 3 inputs are valued using management's assumptions about what market participants would utilize in pricing the asset or liability. For receivables and payables, the carrying amount is a reasonable estimate of fair value due to the relatively short period of time between origination and collection or payment.
